2. I received another call this afternoon from in Charlottesville. I had called him a couple of weeks ago, apologizing on your behalf for not returning his phone-call, and trying (gently) to tell him I didn't think your schedule would permit your speaking to the Air Force Association in Charlottesville. He's persisting in wanting to drop by and talk with you. I told him you wouldn't be able to make it this week but he says he's available any time. Guidance please.
